30 November 1977

Dear [redacted]

Just wanted to let you know that I have just had the opportunity to read the MEAP report on the [redacted] as well as your letter of the 14th. I am grateful to you and the other members of the Panel for the thorough review of the [redacted] question. Your options seem to me to cover the alternatives thoroughly. I am presently awaiting comments through the normal staff system before moving out, but your report will indeed be the catalyst that gets us moving.

I was also very pleased with your comments on the quality of the research programs that are under way. I am very grateful that we have so many imaginative and talented people working on these issues.

Look forward to seeing you soon. Again, thanks.

Yours,

STANSFIELD TURNER
